Significant Events

❖ ASAP ("Art City Substance Abuse Program") –

National Night Out: Held on August 7th, National Night Out is an annual event that's purpose is to heighten crime and drug prevention awareness, strengthen neighborhood spirit and police/community partnerships, and send a message to criminals letting them know that neighborhoods are organized and fighting back. ASAP helped the police department host the City wide National Night Out. It was a huge success. The Daily Herald posted a wonderful article about the event.

Low Neighborhood Attachment is one of Springville's highest risk factors for substance abuse, as identified by youth in grades 6-12. Getting to know one's neighbors by hosting a block party is one way to combat this risk. ASAP is partnering with the police department to encourage interested neighborhoods to host parties on this night. Please consider hosting an event.
