

Home Occupation Business Licensing Requirements

Springville City wants to make this a "One-Stop" process for businesses. This office wishes to offer assistance with the application process and has designated this set of procedures to help you understand requirements for opening a business.

Business Licenses expire annually on the last day of the month of issuance (i.e license is approved 6/19/18, expires 6/30/19). Renewals are due by the last day of the expiry month. Renewal notices are sent as a reminder, but you are responsible for ensuring timely renewal payments.
