Focus on... English as a Second Language

Springville Library aims to serve our Spanish speaking population in a number of ways. We have events, story times and classes that are focused on the interests and needs of our Latino patrons. Twice each year, our bilingual assistant librarian Valerie Mendoza teaches a free class to help patrons learn English. These classes will be held on Tuesday evenings starting September 4th and going through November 13th from 6:30-7:30pm. All ages and levels are welcome to attend. While geared toward Spanish-speakers, this class is taught solely in English at a pace that accommodate all language-speakers.
