[The Unforgettable Logan Foster](#)

By Shawn Peters

Logan Foster has pretty much given up on the idea of ever being adopted. It could have something to do with his awkward manner, his photographic memory, or his affection for reciting curious facts, but whatever the cause, Logan and his "PP's" (prospective parents) have never clicked. Then everything changes when Gil and Margie arrive. Although they aren't exactly perfect themselves--Gil has the punniest sense of humor and Margie's cooking would have anyone running for the hills--they genuinely seem to care. But it doesn't take Logan long to notice some very odd things about them. They are out at all hours, they never seem to eat, and there's a part of the house that is protected by some pretty elaborate security.
