

PICTURE BOOKS

OH NO, ASTRO!

Pic Roeser

Our grumpy asteroid, Astro, is knocked out of orbit by a satellite and goes on an adventure through space.

PLUTO GETS THE CALL

Pic Rex

Pluto gets a call telling him he no longer a planet and travels through the solar system trying to understand why. This hilarious and fact-filled books is a crowd pleaser.

ADA AND THE GALAXIES

Pic Lightman

Ada loves stargazing at her grandparents home in Maine. However, fog seems to blanket the night sky, preventing her from seeing the stars. Her grandfather helps to inspire her love of the skies while they wait for the fog to lift.

PLANET KINDERGARTEN

Pic Ganz-Sch

Celebrate the 100th day of school with these out-of-this-world classmates.

STELLA, STAR EXPLORER

Pic Miller

Stella is bored of her life on earth, so she builds herself a rocket and goes into space. After meeting a couple of alien friends though, she starts to reconsider life on earth.

BALONEY (HENRY P.)

Pic Scieszka

When Henry is late for szkola again, he has to explain why to his teacher, Miss Bugscuffle, or get life long detention. Is the story Henry tells true, or pure baloney?

YOUR ALIEN

Pic Sauer

One day, a boy makes friends with a stranded alien. They do everything together, but when the Alien becomes sad, how will the boy help his friend?

ROCKET SAYS LOOK UP!

Pic Bryon

Rocket's infectious enthusiasm for a once-in-a-lifetime comet sighting brings her community together to witness the event.

E.T. THE EXTRA-TERRESTRIAL

Pic Smith

E.T. is an alien stranded on earth. He finds a friend in Elliott, and they work on getting E.T. back home. Based on the iconic 80's movie.

SPACE BOY AND HIS DOG

Pic Regan

Niko uses his imagination and his homemade spaceship to go on adventures with his robot and his dog. However his sister Posh keeps trying to but her way in to his first space rescue mission!

LIFE ON MARS

Pic Agee

A young astronaut goes to Mars, trying to prove life exists on that planet. But when he arrives, he sees nothing. Hoping to entice the lifeform with cupcakes, all he's able to find is a flower. When he decides to take the flower to prove life on Mars exists, he finds that someone, or something, has mysteriously eaten all of his cupcakes. Could another being exist on Mars?
