

2017 Springville Citizen Survey

In December, Springville City received the results of the Springville Citizen survey. This survey occurs every other year and it provides crucial information to assist elected officials in making decisions regarding services, budget priorities and needs within the community. Previous survey information is available at Springville.org and the 2017 survey should be available later in January.

Snow Removal, Plowing and Garbage Cans

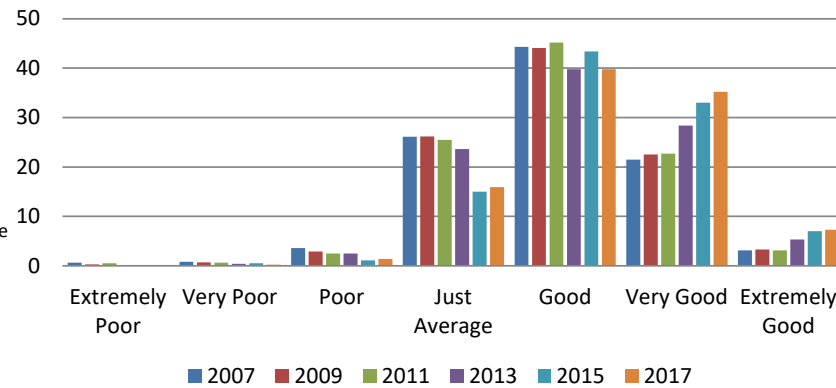

During the winter months, it is important for Springville residents and the City to work together during snow removal weather. During heavy snow

storms, it can take up to 48-hours to clear all the priority routes and through streets once the storm has subsided. Parking is restricted on designated streets (snow route) between the hours of 11:00 pm and 6:00 am from November 1 through March 31. Designated streets and more information on snow removal can be found on the City's website at springville.org/public-works/snowremoval. We also ask that you place your garbage can in the street, away from the gutter and out of the snow during the winter months. When the garbage can is on or behind a snow berm, it is difficult for the garbage truck to reach it and pick it up.

Springville CITY SOURCE

January 2018

Mayor: Richard J. Child

Council Members:
Christopher Creer
Craig Jensen
Jason Miller
Mike Snelson

Clark King, a long time resident of Springville, presented a framed copy of his art work, a rendering of the 1937 American LaFrance Fire Truck that has been restored and is on display at the Springville Fire Department, to Mayor Clyde and Council representatives Chris Sorensen and Craig Conover. Thank you for your years of service.

Mayor's Message

First, I would like to thank the citizens of Springville for their support in the recent City election. I would also like to congratulate Craig Jensen and Mike Snelson for their success. It was a good election and the race for the two council seats was very close. Thanks to all those who ran for office including Craig Conover, Brett Nelson, and Gene Stulce. These are all very good men and have given great service to our community over the years.

I am really excited about the upcoming year and to be able to work with the amazing City Council we have. There will be three new faces on this council and it will be exciting to have fresh perspectives and opinions.

As I have been contemplating and traveling around Springville City, I have been impressed on

how nice the City really is. I feel so fortunate to be able to call Springville home. We have so many great things here, but, what impresses me most is the overall feeling that resides in our community. I have talked with many residents and they have expressed this same sentiment and why they love Springville. As I serve, I want to work closely with our City Council and our citizens to continue to make this community a great place to live.

Mayor Richard J. Child

Thank you Santa!

Santa visited with so many kids in Springville this year. 1891 children met him at the Springville Library and Santa's Art Shop the Springville Museum of Art had over 800 attendees. What a great honor to have such a great time with Santa in Springville.
