The term of office of each member shall commence the first day of February in the year in which the member is appointed. Any vacancy occurring on said Board by reason of death, resignation, removal or disqualification shall be filled in the same manner as an original appointment for the unexpired term. **No person shall serve more than two (2) consecutive terms on or as a member of the Board of Adjustment.** Partial terms shall not be considered in determining whether a person has served two (2) consecutive terms.

11-2-302 Organization and Procedure.

- (1) The Board of Adjustment shall organize and elect a Chairperson and adopt rules for its activities in accordance with this Title. Meetings of the Board shall be held at the call of the Chairperson and at such times as the Board may determine. The Chairperson, or in Chairperson's absence the acting Chairperson, may administer oaths and compel the attendance of witnesses. All meetings of the Board shall comply with the requirements of the Utah Open and Public Meetings Act.
- (2) The Board shall keep minutes of its proceedings, showing the vote of each member upon each question, or if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions; all of which shall be immediately filed in the office of the Board, which is the Department of Community Development, and shall be public record.
- (3) The concurring vote of three (3) members of the Board of Adjustment is necessary to reverse any order, requirement, decision, or determination of the Planning Commission or any administrative official or agency or to decide in favor of the appellant.

- (2) To hear and decide appeals from Planning Commission decisions regarding conditional use permits.
- (3) To hear and decide special exceptions to the terms of the zoning ordinance, but only when specifically authorized to do so under the terms of the zoning ordinance.

- (5) To hear and decide variances from the terms of the zoning ordinance.
- (6) Upon appeal, authorize the construction of a residential dwelling having the lowest floor below the base flood level in the FPO(A1-30) subzone or lower than one foot (1') above the crown of the nearest street in the FPO(AO) subzone; provided:
 - (a) That the structure is permitted with that portion of the FPO zone in which it is proposed to be placed.
 - (b) That the portion of the structure subject to flooding will be adequately flood-proofed.
 - (c) That, in the opinion of the Board of Adjustment, the applicant has made a showing of good and sufficient cause that failure to authorize construction will result in exceptional and unnecessary hardship to the applicant, that construction of the dwelling will not result in increased flood heights, additional threats to public safety, extraordinary public expenses, create nuisances, cause fraud on or victimization of the public or conflict with existing local laws or ordinances, and that the requirements and conditions attached to the approval are the minimum necessary, considering the flood hazard, to afford relief to the applicant.
