

NOTICE TO SPRINGVILLE UTILITY CUSTOMERS

State law requires that the City provide an annual disclosure of money transferred from an enterprise fund (typically a utility service) to any other fund of the City. Springville's Fiscal Year 2020 Tentative Budget includes a set percentage transfer of five percent of operating revenues from each of the utility enterprise funds (Water, Sewer, Electric, Storm Drain, and Solid Waste) to the City's General Fund. The transfer amount also includes the value of utilities provided to the general fund at no charge. Transfers are amounts that cannot be defined as reasonable allocations of costs between funds and are not typically repaid.

As has been its practice for many years, the City of Springville has budgeted for the transfer of money from its utility enterprise funds to the general fund as a return on investment to its shareholders, the Springville City rate payers. These funds are used each year to help cover costs of important city services like police, fire, library, senior center, parks, recreation and other city functions. The utility transfer helps keep property taxes low in Springville.

Separate from these operating transfers, the enterprise funds pay an administrative charge to cover the costs of centralized services provided by the general fund to the enterprise funds. These services include but are not limited to utility billing, accounting, payroll, legal, human resources, engineering and facility maintenance. These administrative fees are calculated by the Finance Department and are considered to be reasonable allocations of costs between funds.

The following are Fiscal Year 2020 transfers and administrative fees:

Fund	FY 2020 Expenditure Budget	Transfer To	Transfer Amount	% of Expenditure Budget	Admin. Fees	% of Budget
Water	\$5,493,806	General Fund	\$317,422	5.8%	\$571,252	10.4%
Sewer	\$4,973,576	General Fund	\$285,890	5.7%	\$431,328	8.7%
Electric	\$29,889,340	General Fund	\$1,856,878	6.2%	\$734,093	2.5%
Storm Water	\$1,638,366	General Fund	\$79,990	4.9%	\$313,194	19.1%
Solid Waste	\$1,787,372	General Fund	\$80,078	4.5%	\$215,377	12.0%
Golf	\$913,840	General Fund	\$-	0.0%	\$62,025	6.8%

The Tentative Budget will be considered by the City Council in their regular meeting on May 7, 2019 with a public hearing to be set for Tuesday, June 18, 2019 at 7:00 p.m. at the City Council Chambers located at the Springville Civic Center, 110 South Main Street, Springville, Utah. The public hearing will be to discuss the proposed dividend transfer in the Fiscal Year 2020 Budget and the adoption of the Tentative Budget as the Final Budget for the 2020 fiscal year.

ART BALL TICKETS STILL ON SALE!

Best night of the year! Don't miss the Art Ball, Saturday May 11, 2019 from 6:00 p.m.-10:00 p.m. pm at the Springville Museum of Art. Tickets can be purchased in person at the museum's front desk.

MAYOR'S MESSAGE

This is a beautiful time of year! It's great to get outside and enjoy all the wonderful things going on. The water we have received this winter make our lawns green and flowers bloom. Hobbie Creek and other surrounding rivers are flowing very high. I want to remind everyone to please keep a close watch on your children and pets and keep them away from the rivers and canals.

May means that school will soon be coming to an end and summer will be here before we know it. For me, the kick off to summer is

always Art City Days which will run from June 1st to June 8th. There are amazing activities to enjoy so check the city web site to see the full schedule of events. I love getting out and seeing families enjoying the different amenities.

I also want to remind you all of a couple of fun events coming up. On Saturday, May 11th, the Springville Museum of Art will be hosting the annual Art Ball. The following week, on Saturday, May 18th, we will have our annual "Bike with the Mayor". Last year I was not able to ride my bike because I had recently had my knee operated on. This year I am excited that I will be able to join everyone as we ride around the city. The Splash Pad

will also be open for the season following the bike ride. Please feel free to join us and bring your whole family out. The Springville Youth Council will even be serving free hot dogs from the Springville-Mapleton Chamber of Commerce.

FIREWORKS AFTER FREE CONCERT

To go along with the Art City Days 2019 “Soaring To New Heights” theme, the free public concert this year is an Eagles Tribute Band. “The Long Run, Colorado’s Tribute to The Eagles”. The Long Run is a group of professional Colorado-based musicians dedicated to the faithful reproduction of the music of America’s most iconic band. The group was born from 5 of some of the busiest musicians on Colorado’s Front Range. Laden with 4 and 5 part harmonies, Eagles’ hits are reproduced with an organic 70’s sound, accurate lead guitarists, multi-instrumentalists, and a lead-singing drummer. See them perform on Saturday, June 8 at 8:00 p.m. in the outdoor amphitheater at Spring Acres Arts Park. Admission is free, and fireworks follow the concert at 10:00 p.m.

SPIKE 150

During Art City Days, the Springville Public Library will commemorate the 150th anniversary of the completion of the transcontinental railroad with an old west party. Come by Monday June 3, 2019 from 10:30 a.m. to 12:30 p.m. for games, a cardboard box train craft, chuck wagon snacks, the Spike 150 exhibit and a country band concert at 11:30. No preregistration needed. Bring the whole family for some old west, railroad, chuck wagon fun!

SCIENCE FICTION & FANTASY ART

The Springville Museum of Art currently has a fun Science Fiction & Fantasy art exhibit! Add to your summer fun by completing a quest! Stop by the library or museum to pick up your “Magic and Machine: KidsQuest” form. Complete any six of the activities and bring it back to either location, before August 3, 2019 to claim a prize!

TRAFFIC SIGNAL RELOCATION

A UDOT contractor will modify the traffic signal at 950 West and 400 South. The southwest corner radius is too sharp and large trucks could not make the right turn without mounting the ADA ramp and destroying the planter strip adjacent to the ADA ramp. It is a pedestrian safety issue as well as a landscape destruction issue. The previous signal pole on the southwest corner was scraped several times by turning trucks.

The new design, by Jeff Anderson, City Engineer, incorporates the following:

- Removed the curb & gutter and the ADA ramp
- Installed new curb & gutter, smoothing the angle
- Installed new ADA ramp
- The southwest signal pole will be relocated further back from the curve

BIKE WITH THE MAYOR & COUNCIL

Hop off your couch and get on a bike. May is national bike month! See you at the Springville Civic Center on May 18, 2019 for our biking activities. Mayor Child and the City Council invite you to a fun community bike ride! Come early for donuts! Ride begins at 10 a.m. The Splash Pad opens after Bike with the Mayor, around 11:30 a.m. with free hot dogs from the Youth City Council and the Springville-Mapleton Chamber of Commerce.

NOTICE OF 2019 MUNICIPAL OFFICES

CRC ANNIVERSARY

The Clyde Recreation Center (CRC) is celebrating one year of operation on Friday, May 24, 2019. Thank you to all Springville residents and non-residents for your patronage. Families and individuals have shared their positive experiences while attending one of our 110 fitness classes per week or enjoying our ever-growing selection of equipment. If you have not heard, we are now offering a functional fitness class for parent & child on Saturdays called CRC-Kid. We have heard the feedback and are currently offering a class called CRC-Stroller which gives specific time and area to parents with children in strollers.

Our pools have seen every swimmer from Nebo School District and is described as one of the fastest pools in the state. Congratulations to our Springville High School Boys Swim Team for nearly winning regions; they were one point behind the first place team. As we prepare for the summer months, be sure to rinse before entering the pools and make sure you’ve got three layers of protection for our youngest swimmers. We will be having festivities the week of the CRC anniversary; however, the 10% discount for new or renewed 12 MO memberships (paid in full) will only be offered on Friday, May 24, 2019.

You may notice the phrase “Stay Gold” in the next few weeks. This message is about continuing to reach your goals and setting new ones. It reminds us that building a better community begins with fostering a better version of ourselves and including others. Hopefully the CRC can serve as a center piece to that sense of community and personal accomplishment.

24TH ANNUAL ART CITY DAYS BALLOON FEST

Springville City will be hosting the 24th Annual Art City Days Hot Air Balloon Fest June 7-8, 2019. A dozen+ hot air balloons from Utah and surrounding states are anticipated to participate and compete in the General Orville Anderson Cup Competition.

The hot air balloons launch around 6:30 a.m. on the south end of Cherry Creek Elementary at 484 South 200 East in Springville. Candy and prizes are tossed out as each balloon launches. While supplies last, free t-shirts will be given out from our sponsor, W.W. Clyde Companies. What a great event for the community.

Spectators can bring blankets and breakfast while watching the balloons set up and lift off. For more

information about Art City Days and the Balloon Fest, go to springville.org/art-city-days/balloon-fest. Volunteers are needed both Friday and Saturday. Each volunteer will receive an official Art City Days Hot Air Balloon Fest T-shirt and the satisfaction of being part of a balloon team. Email artcitydays@springville.org

SCHEDULE—FRIDAY & SATURDAY

- 6:30 a.m. Help balloonists inflate their balloons. Free t-shirts, donuts, face painting and helium balloons to the public, while supplies last
- 6:45 a.m. Balloon launches - As each balloon launches, candy and prizes are tossed out
- 7:00 a.m. Ticket booth for tethered balloon rides open (each rider must fill out a waiver before obtaining a wrist band)
- 7:30–9:30 a.m. weather permitting tethered balloon rides —ticket and waiver required to get a wrist band

ART CITY DAYS DEADLINES

There is still time to sign up and participate in some of the Art City Days activities! Talent Fest auditions will still be held by appointment only through May 11th. The 5-K Family Fun Run & Walk registration continues at the early bird price until May 19th, but cost will increase on May 20th. There is no registration on the day of the race.

Grand Parade Applications are being accepted until May 24th. Baby photo entries for the Beautiful Baby Contest will be accepted until May 29th. The Duct Tape Regatta is open to the first 30 teams that sign up. Information for all these activities (plus more that do not require preregistration) can be found online.
