Hours are Tuesday through Saturday 10:00 a.m. to 5:00 p.m. except late hours on Wednesday until 9:00 p.m. Closed Sunday, Monday and holidays. ### MAYOR'S MESSAGE

In preparation for this month's message, I looked through my past messages and noticed how much things have changed in the course of a year. As I look at all of the things and events that we have missed out on, I can't help but reflect on how these times will affect our community long term. Despite the changes that we have been forced to make, we will adapt and develop new ways of moving forward. The month of August is typically the time of year that our kids are getting back to school. School may have quite a different feel to it but I'm sure that our kids will still be excited to get back to seeing friends and getting back to their studies.

Summer has a different feel to it but it's nice to see that our recreation program saved some of our youth sports programs. The season was short but we were still able to get in a spring softball, baseball, and soccer season. The Clyde Recreation Center continues to operate and safely accommodate our citizens while still providing a great source of recreation. Hobble Creek Golf Course is flourishing and many have found the golf course to be a great way to enjoy some great golf while still practicing social distancing.

This summer has been a dry one and our water use has been fairly high. I would like to remind everyone to continue to be wise with their water use and to try and look for ways to be conservative and efficient in regards to their landscape and yards.

Let's all continue to be kind and treat each other with respect. Even though many of us have differing views regarding everything going on in these crazy times, remember to be safe and to follow those guidelines as best we can to ensure that we continue to recover and get back to some sense of normalcy.

## THE SPRINGVILLE SENIOR CENTER CONTINUES FUN AND SERVICES THROUGH THE SHUTDOWN

When Utah's governor ordered the shutdown on Thursday afternoon, the lady heroes at the Springville Senior Center immediately began making phone calls and started drive-thru lunches on Friday.

Nutritious (free!) meals, provided by Mountainland Association of Governments, are served drive-thru style Monday-Friday with smiles, jokes and paper activities for anyone age 60+. Often their incredible community partners (Smith's, Honey & Grains Bakery, Hills Bakery and Cast Iron Bakery to name a few) donate additional food and items that are distributed to lunch patrons. Currently, the Senior Center is serving over 200 meals a day to local patrons – providing not only nutrition, but the equally important social interaction.

Along with daily lunches, the Senior Center has been providing innovative ways to learn, laugh and stay in touch. Virtual classes, clubs, games and groups have been making a big difference in the lives of many people over the past few months.
