

Lyle Wert 2 Year Council Seat Candidate

Hi, I'm Lyle Wert, and I'm running to represent you on the Springville City Council.

I immigrated to the United States 23 years ago. My family and I are honored to call "Art City" our home. I love serving others! I have volunteered extensively for my church, including full-time missionary service, and for the various communities in which I have lived.

I have been employed in the IT industry for 11 years. I have experience analyzing needs, prioritizing tasks, and collaborating with teams to achieve results. I can make difficult decisions and reach mutually beneficial compromises.

My vision is to create and sustain a vibrant, safe community. I want to implement changes that will strengthen our community - now, and in the future. To achieve this vision, I will:

- Promote responsible development that maintains our city's character and benefits our community.
- Champion fiscal responsibility, and oppose unnecessary tax increases.
- Prioritize public safety as an essential function of our city government.
- Ensure every resident of Springville has a voice at every level of our city government.

This November, vote for a new voice and the right choice.

Vote Lyle Wert for Springville City Council.
