

**Matt Packard
Mayoral Candidate**

My name is Matt Packard, and I am running for the position of Mayor of Springville. As a life-long resident of Springville and as I've served on the City Council for the past two years, I have come to know the challenges and issues facing the City and our citizens. There is no more pressing challenge than the growth of our City and all the issues that come along with it.

Springville City is known for its beauty and culture. People are attracted to our small-town feel, and the personal touch of our neighborhoods. It is a feeling and culture we need to protect and promote into the future. My goal is to balance the need for growth while maintaining our cherished culture.

I bring years of local business experience to our city. While running a business in Utah Valley I worked with local, state, and national politicians while serving on many committees and boards, both inside and outside of my industry. I believe I understand the need for growth but also appreciate the rich heritage we have in our beautiful city.

I ask for your vote as the best candidate for Mayor to move Springville forward.
