

## Ryan Miller Mayoral Candidate

35 of my 39 years I have lived in Springville and what makes it so special to all of us, is it still has a small-town feel, while our state is growing at a rapid pace.

Maintaining a family and small-town environment is what I hope to preserve; water, our economic growth, and parks, along with the pilot voting program RCV being implemented this year are all a concern of mine.

My wife Amanda Miller is also running for a 4-year city council seat. I would love to meet everyone! We will be at the farmer's market on Mondays if you would like to come say hi and see what we're about.

We're the Miller's, here for you Art City! Our home, Springville. I'm Ryan Miller running for Mayor.
