

Mindi Wright - Municipal Primary Election City Council Candidate 2023

My name is Mindi (Huff) Wright. I am a lifelong resident of Springville. Adopted from Daegu, Korea to Jeff and Cheryl Huff, I have had the privilege of growing up and experiencing life in this beautiful city. I am married to Chris Wright, and we have 2 wonderful children, Andrew and Emma. I graduated from UVU with an AA in Business Management and currently work at Clyde Companies and have been there over 10 years.

I'm running for city council because how Springville grows matters. I'll make sure to focus on priorities of keeping taxes low, proactively plan for balanced growth, and the revitalization of downtown. I will work with city staff and council to make strategic plans for its future growth through organization, efficiencies, and teamwork. I'll engage with state and local organizations that will ensure our city will be appropriately represented, especially when it comes to funding. I will act in the best interest of Springville and its citizens to keep Springville a desirable place to live, work and play.
