

Nathan Shaw - Municipal Primary Election City Council Candidate 2023

I'm Nate Shaw, I'm 26 and running for City Council. I have a strong desire to be more involved in how our beautiful city is developed. I am committed to fostering lasting positive changes, and a believer in the great future of Springville. The choices we make together in the next four years will greatly impact our quality of life as Springville residents. As a City Council Member, I will pledge to:

1. Implement reasonable zoning measures with community participation and focus on continuing the revitalization efforts of the downtown area.
2. Invest in future generations by expanding recreation opportunities where possible, and investing in the well-being and growth of our community.
3. Foster a thriving and vibrant local economy by promoting small business through legislation and policies.

I firmly believe that maintaining a small-town feel in Springville is possible, but only if we continue to invest in our own community through small business and recreation. As a City Council Member, I will pledge to uphold this, and that's why I'm asking for your vote to work together for the future of The Art City.
